We have reserved a block of rooms at the Rocky Mountain Park Inn, Estes Park, CO, (970) 586-2333 [www.rockymountainparkinn.com](http://www.rockymountainparkinn.com) (rooms are \$109 per night plus any applicable fees or charges) and our AGM events will either be held at the fairgrounds or the Inn. Please reserve your room very soon as it is tourist season and lodging will fill quickly. We have a wonderful lineup of speakers and events for you so you can leave educated as well as entertained. Presenters include Letty Kline, Maggie Howard and Chris Kerston. Chris specializes in farm direct marketing and social media marketing and has taken his own farm business from an email list of 25 to over 5000. His farm products sell out before they can even grace the farms storage areas. He is a popular speaker nationally and is committed to helping you market your Shetland products directly with success. Maggie Howard will clear up the questions of Shetland Color Genetics and Letty Kline will help us with an understanding of conformation as there is more to Shetlands than just fleece! We will also have a cooking class with the culinary expertise of Jared Lloyd and some fun as we gather around the campfire, attend the Shetland Grand Prix Big Hat Races and more... Special events and a show are planned for our NASSA Junior members, so be sure to bring the youth in your life along. Your AGM registration fee includes all seminars, the banquet, campfire meal and General Meeting Lunch. Please don't miss this special AGM in a very special location.
