Email: _____

Make check out to: _____

NASSA provides sponsorships for shows where there is a separate breed show for Shetland sheep and/or Shetland wool. Sheep entered in the show must be registered with a NASSA recognized organization (NASSA, CSBA) with whom NASSA has an agreement. It is expected that registration papers will be checked prior to the show. Wool entered in a wool show should be from purebred Shetlands.

Applicants are required to send an article and show results to NASSA News editor within 60 days of the show. **Failure to do so will cause the event to be ineligible for NASSA sponsorship funds for one year.**

Signature Responsible party _____

Date _____

Completed application should be submitted to the NASSA Secretary.
