

2004 NASSA FOCUS ON FIBRE FLEECE SHOW

FLEECE RESULTS

Total entries – 59

The 2004 Focus on Fibre Shetland Fleece Show was also conducted as an educational seminar. Some fleeces were entered specifically to prompt discussion of relevant fleece characteristics, strengths and weaknesses. Each of the fleeces entered was spread out on a skirting table by the Fleece Steward, examined and judged by Judith MacKenzie-McCuin, the Fleece Judge, with a written score sheet containing her comments returned with each fleece.
