- 129-Spnget
- 130-Snaelet
- 131-Yuglet

There are shades between these main colors; for example, a very pale fawn or musket, etc. Select the closest color from the list. If uncertain, use the more general "moorit" for varying shades of brown and "grey" for shades of grey.

Use the official number for any color and markings. If unsure, describe the markings and attach to the registration.

For complete descriptions of colors and markings, please refer to the Color and Markings Chart.
